ABOUT ME

Motivated and detail-oriented professional with a strong foundation in business operations and a passion for optimizing workflows to drive organizational success. Known for proactive communication, problem-solving, and a commitment to delivering impactful solutions, I bring a unique blend of strategic thinking and adaptability to new challenges. While developing personal technical skills in Python to broaden my perspective, I remain focused on leveraging my business acumen to enhance efficiency, foster innovation, and contribute meaningfully to a company's objectives.

EXPERIENCE

Project Lead | Sebonack Golf Club | Dec 2023 – Present

- Led the planning and organization of enterprise events, ensuring seamless execution through effective scheduling, logistics management, and on-site coordination.
- Streamlined team operations by assigning tasks, setting clear priorities, and optimizing workflows to enhance efficiency and overall event success.
- Maintained direct oversight of event setup and execution, proactively addressing challenges to ensure smooth operations and a high-quality guest experience.
- Fostered a collaborative and motivated team environment, ensuring all members were aligned and working efficiently to meet event objectives.
- Applied strong problem-solving skills to anticipate and resolve operational issues, ensuring every event met the organizations professional standards.

Supervisor | Woodfield Boca Raton | Feb 2022 – Dec 2023

- Acted as a key point of contact for team coordination, ensuring seamless communication and quick decision-making in a fast-paced environment.
- Directed and coordinated a team, delegating tasks effectively while maintaining a high level of organization and productivity.
- Trained and mentored new team members, reinforcing best practices and fostering a collaborative, high-performance work environment.
- Leveraged strong analytical and logical thinking to anticipate challenges, implement effective solutions, and enhance service efficiency.

Marketing Manager | AMS Attorneys Inc | Aug 2019 – Jan 2022

- Led strategic marketing and public relations initiatives within the conveyancing industry, enhancing brand visibility and strengthening client engagement.
- Spearheaded campaign planning and execution, ensuring consistent messaging and alignment with business objectives.
- Coordinated cross-functional efforts to streamline communication, keeping clients and stakeholders informed on key project updates and milestones.
- Applied analytical thinking to assess marketing performance, identify growth opportunities, and implement data-driven improvements.
- Developed and maintained strong client relationships, fostering trust and long-term business

SKILLS & EXPERTISE

Project Management & Leadership

- Strong problem-solving and logical thinking skills to optimize workflows and improve efficiency.
- Skilled at building and maintaining strong customer relationships.
